

## Nissan Forklift Part

Nissan Forklift Parts - Nissan takes immense pride in achieving complete customer satisfaction, when their consumer is experiencing one of their various products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to delivering high value and meticulous quality standards to their clients. Incorporating a rich heritage combined with solid manufacturing principals, Nissan lift trucks offer some of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European production warehouse in Sweden to sustain their worldwide lift truck demands. Dedicated to offering consumer support, the company has four independent manufacturing facilities that allow them to constantly adapt to their consumers continually evolving desires by providing a range of progressive ideas and concepts.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a team of 350 personnel, they are committed to the design, manufacture, and support of their forklift products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this allows sectors of the Nissan Forklift Operation to sustain environmental accountability by using systems and procedures that limit their environmental footprint. These high standards remind customers that Nissan operates under the quality seal that their customers demand whilst being an environmentally conscious corporation.

Nissan is assured that they will be capable of addressing any client inquiries or concerns. Always available through their website or by calling 800.871.LIFT, reaching one of their community sanctioned dealers or even traveling to their Midwestern office, Nissan Forklift Corporation is sure you will be impressed with their hospitality and commitment.
